

United Bicycle Institute

# LOOKING TO MASTER FOX TECHNICAL SERVICE AND GET A FREE FORK?

## REGISTER NOW FOR THE FOX MASTER TECH CLINIC

- » Learn FOX specific service procedures
- » Work on your fork during class and take home when complete
- » Choose a 2012 32 FLOAT, 32 TALAS, 32 FLOAT29, or 36 FLOAT (All models are FIT RLC only. See [go.ridefox.com/ubi](http://go.ridefox.com/ubi) for full list of steerer and axle configuration availability)
- » Two Oregon UBI training location options: Portland or Ashland

United Bicycle Institute

This hands-on experience is “hands-down” the best way to learn FOX air spring, damper, and chassis services. Each class is led by a FOX Master Technician. The \$600 enrollment fee includes a 2012 FOX fork — yours free to take home after learning these procedures on your new fork.

**REGISTER NOW** SPACE IS LIMITED!
