

Colnago America Extends A Hand In the Wake Of Wrench Science Closure

CARLSBAD, CA – February 7th, 2025 – Colnago America Inc. has been made aware of the recent developments surrounding the closure of Wrench Science (www.wrenchscience.com), a retailer that has previously offered our line of bicycles. We recognize that this news may create uncertainty, particularly for those who have placed orders or were considering a purchase through them.

Please know that you are not navigating this alone. At Colnago, our commitment extends beyond crafting world-class bicycles—we stand behind our riders, ensuring they receive the support and solutions they deserve. If you have concerns regarding outstanding orders or service issues related to a Colnago product from Wrench Science, we encourage you to contact us directly. Our team is poised to assist, working diligently to provide viable alternatives that meet your needs.

Your trust fuels our passion, and we do not take it lightly. We sincerely appreciate your continued support and remain dedicated to delivering excellence in our products and the service and care we extend to our valued community.

For assistance, please reach out to us at Ciao@Colnago-America.com. We are here, ready to help, and grateful to have you as part of the Colnago family.

Sincerely,
Brandt Furgerson
CEO
Colnago America Inc.

About Colnago

Colnago Ernesto & C. S.r.l., known as Colnago, is a manufacturer of high-end road-racing bicycles founded near Milano in Cambiago, Italy, in 1954. The company first became known for high-quality steel framed bicycles suitable for the demanding environment of professional racing, and later as one of the more creative cycling manufacturers responsible for innovations in design and experimentation with new and diverse materials, including carbon fiber, now a mainstay of modern bicycle construction. Among the many Colnago victories – 15 Grand Tours, 416 Grand Tour stages, 43 Classic Monuments, 28 World Championships, and 18 Olympic Gold Medals - Tadej Pogačar won the 2020, 2021, and 2024 editions of the Tour de France, the 2024 Giro d'Italia and 2024 Road World Championship riding Colnago bikes.
