

**HIT (KBA061)** Take back the streets! DAHON conceived the HIT as an economical and ecological tool for our most recent global challenges. Affordable folding lets you skip choked up public transit and traffic jams, looking after your health and your wallet. The Deltec cable is its safety secret weapon, upping the max rider weight limit to 300 lbs (137 kg) and the warranty to 10 years.

Weight: 12.06 KG (26.58 lbs)
